Aycliffe Village Primary School

Dear Parents/Carers

What a fabulous day we had in school on Friday! Our Talent Show for Comic Relief was a huge success and the atmosphere was amazing! We were entertained by some very talented children and a range of acts, including singers, dancers, magicians, instrument players and even dancing sharks!!! I didn't envy the judges who had the very difficult job of choosing our winners! (results are below) Thank you to all children who took part in the heats and the final—we are very proud of you all and really appreciate the efforts you went to.

Thank you also for your kind donations for Comic Relief. We raised an incredible £214.20 for this very worthwhile charity.

Best wishes

Supervision of pre school children on our playground whilst waiting to collect school age children at home time.

A reminder that the gym equipment on our playground is not for the use of young children—it is too large for them so could be dangerous if they are using it. It is the responsibility of parents/adults supervising them to ensure they don't use it please. Also there have been times when some pre school children who have been climbing on the steps and ramps up to some of our Key Stage 2 classrooms. This has caused distractions and interruptions to lessons on a number of occasions so please ask your children not to do this. There is plenty of space on the rest of our playground, including a bike and scooter track at the bottom of the yard, and they are very welcome to play there instead whilst they wait for older children coming out of school. Thank you for your support with this.
