15th July 2020

Dear Parents/Carers,

The current situation has meant that we have been unable to say goodbye to our Year 6 children in the usual way.

However we cannot let their final day at our school go without doing something for them. So we intend to clap them out of school at **3pm**. The children in school will line the path leading out of school and clap and cheer them out.

Parents can join us by standing on the road opposite the school – socially distanced – and join in with the clapping and the cheering.

It would also be lovely if all of the Year 6 children who are not in school could join us. The gate on the field will be opened for them at 2.50pm so that they can come onto the school grounds. Then they will be able to join their class parade.

I know this won't make up for the events that have been missed but hopefully we will be able to make a special end to the day for the children.

Yours sincerely

Anne Brown
Deputy Head
