Aycliffe Village Primary School

Dear Parents/Carers

We had a lovely 3 days back at school last week. We look forward to having our Reception children in school for full days this week. They were all really enjoying their lunch when I saw them earlier.

Apologies if some things have been a little confusing this week—it is always difficult the first few days of term without Covid making things even harder. Please remember that if you have any issues or concerns you can email the school office and we will get back to you. Thank you for your patience and understanding with this.

Thank you also for being more aware of social distancing outside school while you wait to drop off or collect your children. I noticed a big difference this morning.

Best wishes
Mrs Brown

Keyboard Lessons with Musicworks

Children who have guitar lessons may be able to begin having their lessons next week. We are working with Mr Armstrong to resume the lessons.

Year 6 Arrival Times at School

I know Year 6 are always keen to get to school but Miss Peel has mentioned that a number of them are arriving earlier than other children when they should be the last ones to be in class. Hawthorn start class at 9am.

Homework

Homework will look a little different this term as we try to reduce the number of things that are sent between home and school. Some classes will be given packs of work that only need to be returned at the end of the half term. Other classes will be giving online tasks to complete such as TT RockStars and Spelling Shed.

Celebration Awards

As we cannot have assemblies at the moment we are going to put our award winners on our Facebook page. Winners of the Golden Broom were Lime Class.

Facebook

Our school Facebook page has been very popular with both parents and children. It is a lovely way for you to see what your child has been doing at school. At the start, a number of parents were very wary about letting their children's image appear. If you now feel that you would be happy for you child to appear on the page, please contact us and we will email the consent form to you.
