Dear parent/carer,

We have set up google classroom to prepare for online learning in the event that our class bubble needs to temporarily close in the near future.

There **have not** been any confirmed coronavirus cases in school, however we want to prepare for this and ensure children can access learning online if they need to. Work will only be uploaded when the children need to access it.

To join our google classroom, please use the following class code: **ts2eyi2**

You need to have a google email account in order to access the website. Here are the instructions on how to access the google classroom.

### Join a class with a class code

- Go to [classroom.google.com](https://classroom.google.com) and click Sign In.
- Sign in with your Google Account. For example, you@yourschool.edu or you@gmail.com ...
- At the top, click Add Join class .
- Enter the class code your teacher gave you and click Join.

We would like parents to join as soon as possible so that, in the event of a bubble closure, we can be ready to continue educating your children.

Kind regards

Miss Richmond
