Dear parent/carer,

As you may have seen on the latest newsletter, classes have set up their Online Google classroom to prepare for online learning. As we already use Tapestry, this will be the online learning platform in the event that our class bubble needs to temporarily close in the near future.

There **have not** been any confirmed coronavirus cases in school, however we want to prepare for this and ensure children can access learning online if they need to. Work will only be uploaded when the children need to access it.

Work will be posted as an observation for you to access with any supporting materials found in the documents section.

Kind regards

Miss Bradley
