Dear Parents and Carers,

I have written a separate letter detailing the arrangement for the return to school on Monday 8th March which can be found on our school website. We are very much looking forward to welcoming back all our pupils. We understand that some children will be apprehensive whilst others will be excited to return. Class teachers will be contacting families before the Easter holidays to report on how the children have settled back into school and the progress they are making. However, if you have any concerns before then please call school so we can help.
