

Aycliffe Village Primary School

In this issue:

- ◆ **Headteacher Awards and Star Awards**
- ◆ **Parent / Teacher Consultations**
- ◆ **Lateral Flow Home Testing Kits**

Dear Parents and Carers,

Welcome back! What a marvellous week we have had in school. Our children have been a delight and it has been fantastic to welcome them back into school. Our focus is now on ensuring the children are settled, quickly get back into their normal routines and that any anxieties are quickly addressed. In the time leading up to the Easter holidays we will be assessing the progress children have made since the Autumn term to make sure we plan exciting, challenging activities for the remainder of the academic year. We will be launching our new communication app **Weduc**, very shortly. Which we hope will help you stay connected to your child's class and school events.

Parent / Teacher Consultations

Your child's teacher will be contacting you to discuss progress this term by telephone. This call may be from one of our school mobile phones so may appear as an unknown number if the school landline is unavailable.

Home Testing Kits

Information regarding how to get COVID-19 home testing kits is available by visiting our website and accessing the letter from Head of Education and Skills and the Director of Public Health on our Newsletter page. Kits can be either posted to you or collected from various locations.

Play Equipment

The children have been busy selecting new play equipment to use when making the most of being outdoors. Each class bubble has been given a budget to spend so they can choose equipment which they will enjoy playing with. We are looking forward to the equipment arriving so that the children can even more fun filled playtimes and lunchtimes.

Aycliffe Village Primary School

Headteacher Awards and Star Awards

Class	Headteacher Award	Reason
Willow	Peggy-May C	For a super first week back at school.
