- ◆ **Weduc - Communication Tool**

Weduc

We have had a fantastic response to our new Weduc App. This week class teachers and myself have posted messages and photos directly to parents. If you are having any difficulty signing up please contact school as we would be more than happy to help.

Outdoor Learning!

Thanks to Lou Porter we have been fortunate for some of our children to participate in sessions with the Parks and Countryside Outreach Programme (Wharton Park and Hardwick Park). Today Year 5 were making catapults inspired from Viking times in our outdoor space. We are hoping that many classes will be able to participate over the course of the term. Watch out for further photos as the team brought their own photographer along with them today!

Reception Starters September 2021

Many families have now received confirmation of a school place for their child for September. I will be organizing an induction meeting for parents very shortly so they can find out more about our school. Please look out for a date in the near future, this is likely to be when social distancing restrictions are revised.

Donations

We are looking to develop our mud kitchen area and we need your help. If anyone has any of the following items they would like to donate to our mud kitchen we would be very grateful.
