Rowan - Summer 2021 Newsletter

Year 5 are a lovely group to work with and I'm sure we will have some great learning opportunities this term.

Mrs Brown

Class Teacher

I really enjoy working with Year 5 and look forward to a successful summer.

Mrs Wellstood

Higher Level Teaching Assistant

Welcome to Summer term in Rowan Class. This term I will be teaching the class every day, with Mrs Wellstood teaching the class on a Wednesday and Thursday afternoon. The subjects covered by Mrs Wellstood will include Music, RE, Art and French.

Amongst the things to look forward to will be an outdoor experience based on our History topic about the Vikings. Our class reading book will also follow the theme of Vikings too.

We will also be having a yoga session with Yoga Mike. In the second part of the term we will be having some football coaching with Matthew Ellison from Go-Well.

Our Science work will look at Forces and Living Things and Their Habitat.

In Design Technology we will be designing and making cushion covers – so if possible I would like the children to bring in a cushion (in a carrier bag to allow us to quarantine them) so that we can investigate the different types available and their purpose.

PE will be on a Tuesday and Friday for the first part of the term. Please ensure that your child wears a white T-shirt, dark shorts and trainers. We will be going outside as much as possible so dark coloured joggers or tracksuit bottoms might be needed. Our PE will include athletics, cricket and football.

The Reading Challenge will continue next term. The children will choose the reward they are working for if they exceed reading 4 times per week. They are already working towards their first bonus!

Things to Remember:

PE kit is needed on Tuesday and Friday

Reading books are needed every day with the Reading Record signed to show that the children have read and discussed the reading with an adult.

Please ensure homework is returned or uploaded to the Google Classroom by Wednesday morning. New homework will
