

Aycliffe Village Primary School

In this issue:

- ◆ **Messages from Mrs Adamson**

As we are now using Weduc as our primary communication tool you will notice that the amount of newsletters will reduce. This is because important messages and information will be shared on either the Newsfeed or as a direct message. We have had a lot of positive feedback since using Weduc as it has helped many families to see what has been happening each week in class. You will receive a notification for messages but to see photos of the children you will need to check the newsfeed.

Transition

Your child will bring home a letter explaining the organization of classes from September today. A template of this letter will also be on Weduc. Due to Covid-19 restrictions we are limited with the amount of transition opportunities we can offer but children will spend time with their new teacher in their new classroom on Monday 28th June. We are also planning on your child's new teacher visiting them to share a story each Wednesday afternoon until the end of term.

Do the Dash

This week all children in school have been taking part in 'Do the Dash' event. Please check your child's class newsfeed to see photos from this week.

Certificates

Information about children who have achieved an award will be posted to the Newsfeed section of Weduc each week. These will be posted each Friday afternoon.

School Uniform Offer

An *Early Bird Offer* is available from Rawcliffes for families purchasing uniform for September, please see Weduc for further information.
