## Maple Spring 2023 Newsletter

**Mrs L Marambe**  
Class Teacher  
Early Years Lead

I am looking forward to another exciting term in Maple class and continuing our learning journey.

**Miss C Richardson**  
Class Teacher

Spring term is set to be full of exciting learning opportunities. I am excited to share these with the children.

**Mrs C Girling**  
Teaching Assistant

Thank you for making me feel so welcome. I am looking forward to getting to know the children and families.

**Miss L Wong**  
Teaching Assistant

I'm looking forward to another wonderful term and I hope all the children in Nursery will continue learning and developing happily.

**Mrs L Clarkson**  
Lunchtime assistant

It is great being a part of such a fantastic Early Years team. Spring term looks like it will be full fun.

### Curriculum

Welcome to the Spring Term in **Maple Class**. As our Nursery family continues to grow, we continue to immerse the children in a rich learning environment with lots of opportunities to explore, learn, play and have lots of fun.

Themes we will be looking at this term include: Chinese New Year, celebrating families at Valentines, Shrove Tuesday, special celebrations (including birthdays and Christenings), World Book Day and Easter. We will also be exploring our community and the roles within this.

In Maths, we will continue to build on children number skills to 10. We will also explore addition, subtraction, size, length, weight, capacity, shape and time.

### **Things to Remember:**

**Thursday** is our PE day so could children come to Nursery in suitable clothing (e.g. joggers and trainers).

Could children have a spare set of clothes in their Nursery bag (especially jumpers and socks).
