Mrs J Garlick
Class Teacher

I can't wait to enjoy time outside with you all this term! We are going to have so much fun.

Mrs E Mawson
PPA Cover Teacher

I am delighted to be teaching Silver Birch Class on a Monday, Tuesday, Wednesday and Thursday afternoon!

Welcome to the Summer Term in **Silver Birch Class**. We are delighted to be working with your children, they are a fantastic cohort with excellent imaginations!

In Maths, we will be learning all about decimals, shape and statistics and graphs. During this term, we do have our **Times Table Check**. It would be great if the children could spend 10 minutes a day on TTRockstars to further improve their confidence with their times tables.

In English, we have been writing a range of fantastic genres including letters, stories and descriptions. The children have been working hard to use fronted adverbials and noun phrases in their writing and have produced some incredible stories recently all about WW2.

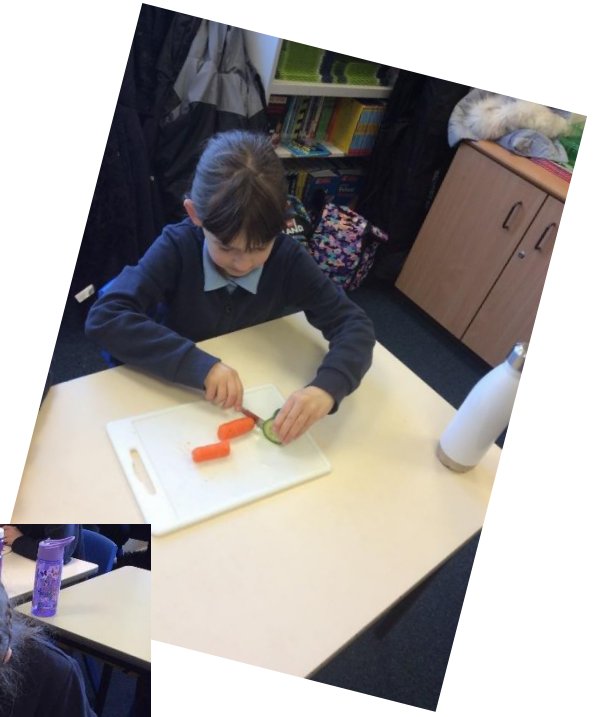

During the next half-term in History, we will be learning all about the Anglo Saxons and the Scots. The children will be completing lots of research using a wide range of sources.

Mrs Mawson will be teaching the children on a Monday, Tuesday, Wednesday and Thursday afternoon this half-term. In this time, the children will be learning about Music, French, PE, Computing, History and RE.

Things to Remember:

On **Thursday and Friday** every child in Year 4 will participate in a **PE lesson** and will need a PE kit (white t-shirt, navy blue shorts or jogging bottoms and plimsolls/trainers) for both the indoor and outdoor environment. PE kits should be brought into school and it would be great if PE kits could be left in school - we will send it home every half term to be checked and washed.

Each child will be given two reading books per week. One book is a book band book and the other is a book to enjoy. Homework will be sent home on a Friday; please can this be returned by the following Thursday.

Here is some of our fabulous DT work we have completed this week. We have had a brilliant time and have really enjoyed completing our work on healthy eating and designing pizzas!
