Teaching Assistant

We have an amazing Early Years team here at Aycliffe Village. Please catch any member of the team in person or via Weduc if you have any questions at all.

Things to Remember:

Wednesday is our PE day so could children come to Nursery in suitable clothing (e.g. joggers and trainers).

Could children have a spare set of clothes in their Nursery bag (especially jumpers and socks).

As the weather improves, please make sure children have sun hats and sun cream applied before coming to nursery daily.

Books to share need to be returned on a Tuesday so new books can be sent home. If your child does not attend on a Tuesday the next day of attendance after this will be fine.

Some children don't have wellies in nursery or wellies here don't fit anymore. Please catch a member of staff and we can let you know if new wellies are needed.

Curriculum

Welcome to the Summer Term in **Maple Class**. As our Nursery family continues to grow in the final term of the academic year, we continue to immerse the children in a rich learning environment with lots of opportunities to explore, learn, play and have lots of fun. We have some children who are almost ready for the exciting transition to reception and we will plan for and carefully support this transition over the next term in nursery.

Themes we will be looking at this term include: Life cycles, growth, traditional tales, holidays, beaches and new beginnings.

In Maths, we will continue to build on children's number skills to 10 and beyond. We will also explore addition, subtraction, size, length, weight, capacity, shape and time. We will also be exploring the new concepts of multiplication and division.

Dates for the Diary

Wednesday 26th April- Nursery and Reception Hall Hill Farm Trip

Wednesday 10th May- Early Years Open Day (more information to follow)

Wednesday 19th July at 9.15am - Nursery Graduation-

Seaside Trip- To be confirmed for June/July
